#### Pre Wedding Consultation

A pre wedding consultation is included in the package for the Bride and is highly recommended; this appointment is scheduled up to two weeks before the wedding date at your convenience, and usually takes about two hours. We are available to come on site for hair and make-up at an additional travel fee of \$150 per stylist; a per mile fuel charge will be added outside of SLO County. A non-refundable retainer of \$50 is due at the signing of the contract for the Bride, and \$25 per service for each member of the wedding party receiving hair and or make-up. A payment of 50% of the total amount is required at the time of the consultation and the balance is due on the wedding day. Please bring your veil, headpiece and any photos or ideas with you to your wedding consultation. Keep this sheet for your reference.

\*There may be an additional charge for Sunday, Holiday, and start times of 7:30a.m. & earlier.
