Bridal Trial Run

It's important for us to find out who you are and what your needs and desires are prior to your wedding day, so we include the trial run in the price of your Bridal Package. This appointment is usually scheduled between 2 weeks to 1 day before the wedding, depending on your schedule. Plan on two hours for this appointment, and bring your veil, head-piece, and any photos or ideas with you.

We can come to you!

We are available to come on location for an additional fee of \$135 per stylist (also a per mile fuel charge may be added outside of SLO County).

To secure the date

We require a \$100 retainer at the signing of the contract for the bride, and \$35 per service for each member of the wedding party receiving hairstyling and/or makeup. This will be applied to the wedding day. Payment of 50% of the total amount due is required at the time of the trial run, with balance due on the wedding day. There may be an additional charge for Sundays and holidays, and for start times earlier than 7:30 a.m.

Thank you for choosing Kim & Co Salon and Day Spa for your special day.
